

## ZEISS SMILE Post-Procedure Care Instructions

Your first postoperative appointment is scheduled on \_\_\_\_\_ at \_\_\_\_\_.

**In case of an emergency, and if our office is closed, please don't hesitate to call the doctor at (646) 479-6366.**

### Day of Procedure

- Expect tearing, some irritation, and stinging of the eyes.

### Thereafter

- Use UV sunglasses outdoors to protect against light sensitivity, wind, and dust. Ultraviolet filtering sunglasses are recommended thereafter to reduce the risk of long-term eye problems to which we are all susceptible.

Please shake medication before application and keep eyes closed for 5 min after application. To avoid washing out the previously applied drops, please wait at least 5-10 minutes before applying the next solution.

<b>Instructions</b>	<b><u>Pick Up</u> <u>Antibiotic Drops</u> Ciprofloxacin or Ofloxacin  (1 drop per eye)</b>	<b><u>Pick Up</u> <u>Anti-Inflammatory Drops</u> Lotemax SM or Prednisolone or Inveltys or FML or Durezol (1 drop per eye)</b>
